EXECUTIVE CURRICULUM VITAE

Managing Director | Business Owner | Property Investor

Seafood Trading, Foodstuff Distribution, UAE Market Operations and Real Estate Investment

EXECUTIVE PROFILE

UAE-based Managing Director, business owner and property investor with a career in seafood and foodstuff trading since 2011. Experienced in building and managing commercial operations across procurement, wholesale, retail, distribution, outlet supervision, supplier partnerships and customer development. Holds UAE Golden Visa status under the Property Investor category and maintains an established business and investment presence in the United Arab Emirates.

CAREER SNAPSHOT

- More than 15 years of direct experience in seafood and foodstuff trading, starting from 2011.
- Owner and senior executive associated with multiple UAE-based trading companies.
- Hands-on leadership across purchasing, pricing, outlet operations, supplier coordination and market sales.
- Strong understanding of UAE seafood market demand, buyer behavior, stock movement and distribution flow.
- Property investor with long-term banking, investment and real estate interests in the UAE.

BUSINESS PORTFOLIO

Natural Roots Fish Trading L.L.C. - Managing Director / Business Owner

Natural Aqua Foodstuff Trading L.L.C. - Owner / Partner

Marine Knight Foodstuff Trading L.L.C. - Owner

Neuro Catch Fish Trading L.L.C. - Owner / Business Principal

PROFESSIONAL EXPERIENCE

Managing Director / Business Owner | UAE Seafood and Foodstuff Trading Sector

2011 - Present | Dubai, United Arab Emirates

- Lead commercial trading operations covering purchasing, sales, distribution, outlet performance and supplier coordination.
- Manage market relationships with wholesale customers, retail buyers, suppliers, logistics providers and trading partners.
- Oversee product availability, pricing decisions, stock movement, order fulfilment and daily operational execution.
- Coordinate import activity, cold storage requirements, transport planning and distribution to sales channels.
- Drive business growth through market knowledge, supplier reliability, customer retention and disciplined management.
- Support financial planning, banking relationships, investment decisions and long-term business development.

EXECUTIVE STRENGTHS

- Commercial leadership in a competitive foodstuff and seafood trading environment.
- Strong supplier network development with practical knowledge of sourcing, negotiation and fulfilment.
- Operational control over purchasing, sales coordination, inventory movement and outlet-level performance.
- Customer-focused approach with experience serving wholesale buyers, retail customers and trading partners.
- Ability to manage business growth, investment planning, banking relationships and strategic decision-making.

KEY AREAS OF EXPERTISE

- | | |
|--|--|
| • Seafood and foodstuff trading | • Wholesale and retail operations |
| • Supplier sourcing and procurement | • Import coordination and logistics |
| • Cold chain and storage planning | • Outlet management and sales execution |
| • Pricing and margin discipline | • Customer relationship management |
| • Team supervision and performance control | • Business ownership and investment planning |

SELECTED BUSINESS ACHIEVEMENTS

- Developed a long-standing UAE business career in seafood and foodstuff trading from 2011 to the present.
- Established and managed multiple trading entities with involvement across ownership, strategy and daily execution.
- Expanded trading activities across wholesale, retail, import support, distribution and outlet-based commercial operations.
- Built practical relationships with suppliers, customers, market buyers and logistics partners across the UAE trading environment.
- Secured UAE Golden Visa status under the Property Investor category, supporting long-term residency and investment stability.
- Created a professional profile combining business ownership, executive management, real estate investment and banking credibility.

BUSINESS AND INVESTMENT PROFILE

- UAE Golden Visa holder under the Property Investor category.
- Owner and investor in UAE real estate, with property interests in Dubai and Sharjah.
- Actively building premium banking relationships for salary transfer, savings, investment planning and future property financing.
- Focused on expanding business operations and strengthening long-term financial position in the UAE.

EDUCATION AND PROFESSIONAL DEVELOPMENT

- Bachelor degree in Business Administration - European International University, Paris.
- Matriculation - Pakistan.
- Practical professional development through direct business ownership, UAE market operations and commercial trading experience since 2011.

PROFESSIONAL VALUES

- Integrity in banking, investment and business relationships.
- Long-term commitment to UAE business growth and market development.
- Hands-on leadership, disciplined operations and customer reliability.
- Transparent communication with banks, partners, suppliers and customers.
