Obser ID	Observation Description	Action Taken	Repetition	Counts
----------	-------------------------	--------------	------------	--------

1-This inspection was carried out as per the articles of the Local Order No.11 for the year 2003 pertaining to Public Health and Community Safety in the Emirate of Dubai; Administrative order No. 30 for the year 2007; and the Dubai Food Code 2013.

Document Number: 1316365, Issue Date: 05 Jun 2026, Revision: 1

2. Violations must be corrected immediately. When corrective action plans are required, they must be submitted to the Food Safety Department within 5 working days using the link www.dm.gov.ae. Failure to submit a corrective action plan will result in further legal action and penalties.

3. Corrective actions should be completed within the time frame mentioned in the corrective action plans and/or as agreed with the Food Safety Officer.

4. Corrective action must be based on the relevant Food Code Requirements description and any other relevant legal requirements. To know more about the inspection report and to download the Food Code, visit our website www.dm.gov.ae and click on the Food Safety Department.

5. Payment of penalties is possible only after the report status changes to 'Finalized'

6. The information collected during the inspection which has been provided in this report; will not be shared with anyone else other than a representative from the licensee or unless requested by concerned government authorities.
